Faure**

**Dani  
Loreto**

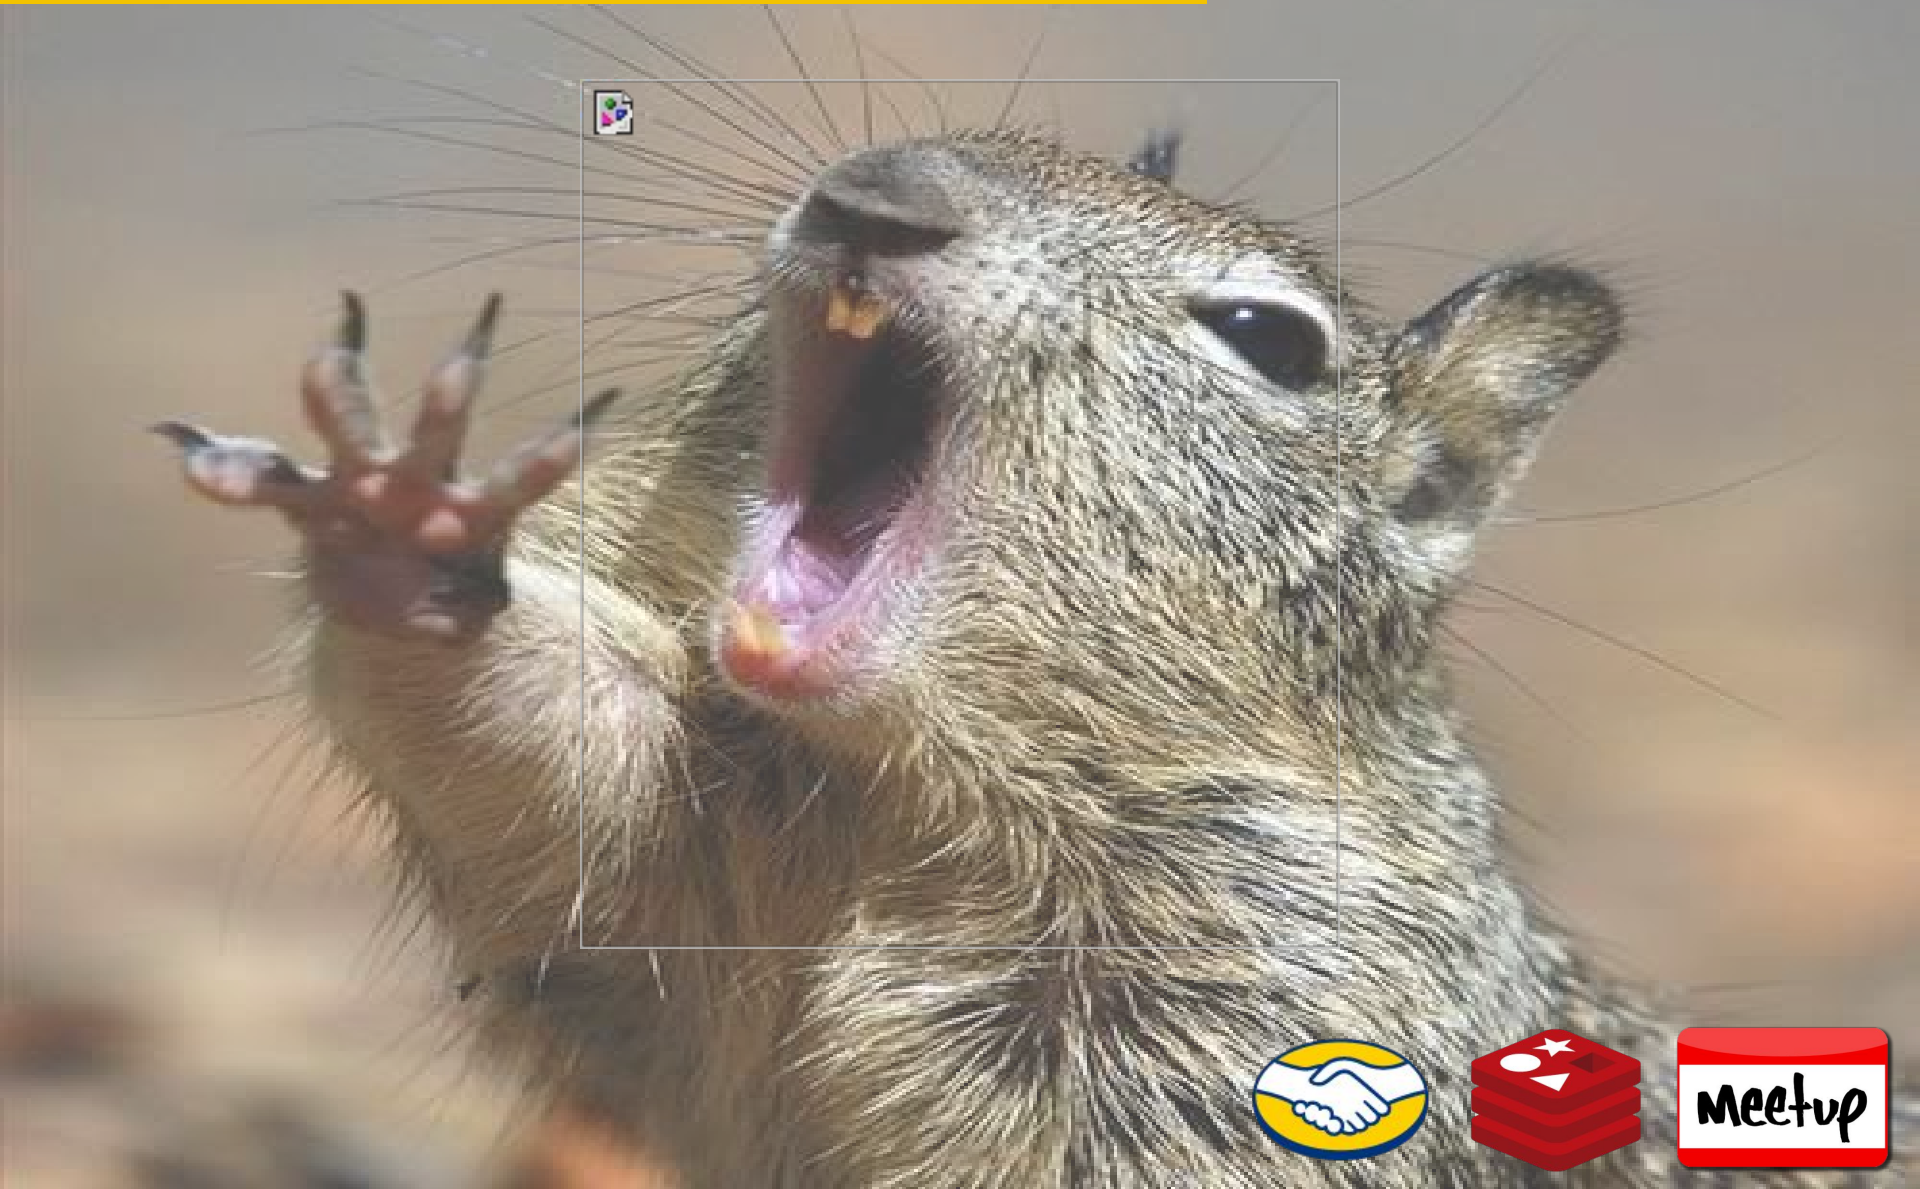

# Objetivo del día

NOOOOOOOOOOO

# La vida sin Redis

# Que es Redis?

- Key Value and Data structure store
- In-memory
- Different types of persistence support
- Replication / clustering / high availability

# Pub / Sub

- **PUBLISH** <channel> <message>

- **SUBSCRIBE** <channel>

- **PSUBSCRIBE** <pattern>

# Como lo implementamos? (I)

# Como lo implementamos? (II)

# Demo
